

AG DAY GALA

Tuesday, March 24, 2026

North End Event Center, Minnesota State Fairgrounds

Hosted by the Minnesota Foundation for Agriculture

Join us in a celebration of Minnesota agriculture at the Ag Day Gala, hosted by the Minnesota Foundation for Agriculture. The evening is designed to cultivate and recognize the rich history of the farmers, organizations, businesses and communities that support the success of agriculture across the state.

We invite you to connect and network with business leaders, influential community members and local producers. A farm-to-table dinner will be served alongside an opportunity to meet the local farmers who made it possible.

Continue your support of Minnesota agriculture by taking part in the silent and live auctions, featuring unique Minnesota products and experiences.

Sponsorship opportunities are available. Please contact foundation director Ruth Meirick, ruth.meirick@fbmn.org, for more information.

All funds raised throughout the evening will support Foundation programming that meets our new strategic mission: The Minnesota Foundation for Agriculture honors the roots and fosters the future of agriculture by supporting engagement, research and community vitality efforts.
